**OPEN SESSION:**

In the open session, prior to the start of the meeting, the Chairman expressed his great regret and sorrow at the passing of Alan Bishop and appreciation of his significant contribution to the village.

A resident asked for assistance from the Parish Council and CPRE in arranging for English Heritage to visit and review the setting of Stonewall Farm and other listed buildings in light of the recent planning application at nearby Little Clock House. Several residents commented on the poor manner in which the planning application was dealt with by Maidstone Borough Council Planning Department and the lack of disregard for the effect on listed buildings. The Chairman agreed to contact English Heritage through CPRE.

**1. APOLOGIES**

Apologies for absence were received and accepted from Cllr R Sawtell. Borough Cllrs D Collins, B Mortimer and J Wilson and PCSOs A Hunter and R Kemp had also sent their apologies.

**4. MATTERS ARISING FROM PREVIOUS MINUTES NOT INCLUDED IN THE AGENDA**

Item 4 – Mrs Gibbs-Naguar, the new head teacher at Hunton Primary School, was invited to the 11<sup>th</sup> November meeting, but was not able to attend. The PCSOs should also be invited and provided with the Parish Council meeting dates, as a PCSO has not attended a meeting for some time. ACTION: CLERK

Item 7.3 – A response was sent to DCLG on the Greater Flexibilities for Change of Use consultation.

Item 8.4 – A copy of the NALC publication ‘Local Councils Explained’ has been ordered.

## **5. POLICE BUSINESS**

### **5.1 Police**

PCSOs Alan Hunter and Rebecca Kemp were both unable to attend the meeting. The latest crime figures are as follows:

30/09/13 – Amsbury Road – Domestic

30/09/13 – Amsbury Road – Criminal damage

07/10/13 – West Street – Assault

23/10/13 – Shingle Barn Lane – Criminal damage to fencing

### **5.2 Neighbourhood Watch**

Cllr Wyles reported that 81 properties (25%) in the parish have signed up to the Neighbourhood Watch scheme, with more being encouraged to join. Members of the scheme have met with the new PCSOs, who did a tour of the village to acquaint themselves. A newsletter has been issued to members which has had a good response. Another newsletter will go out in December, which is a prime time for opportunist theft. Signs will be put up in the village. A white van has been seen looking for scrap metal and horse tack has been stolen, particularly in the East Farleigh area. There are nine area coordinators in the village. The feedback from the launch is that it was well publicised; 50 people attended, and that the community spirit in Hunton is 'second to none'. The Hunton Neighbourhood Watch has been invited to the Maidstone Neighbourhood Watch and links with the Coxheath scheme.

## **6. COUNCIL REPRESENTATIVES**

Members **Agreed** that Cllr Wyles be appointed as the council representative for Hunton Primary School.

## **7. HIGHWAY & FOOTPATH MATTERS**

### **7.1 Footpath – Bensted Close to Village Hall**

Cllr Wyles reported that Tregoning Trees won the contract to cut the hedge alongside the footpath. Work commenced on 11<sup>th</sup> November and 50 metres have been cut so far, all work to be completed by the end of the week. The hedge is being cut to 1 – 1.5 metres in height, with the waste being chipped, shredded and removed from the site. Some of the chippings will be sold by the Hunton Gardening Club, with the proceeds going towards the Christmas lights or another cause.

Half way down the footpath there is an entrance with an oil barrel full of concrete to deter fly tipping. Members **Agreed** that a gate would look much better and asked that permission is obtained from the landowner, Mr Hubble, to erect a gate, with the cost being met by the Council.

### **7.2 Gateways**

A meeting was held between members of the Parish Council, County Cllr Stockell and Andy Padgham from KCC to agree the location of the Gateway on West Street. The location was agreed as being at the bottom of Hunton Hill, before the junction with East Street to ensure that the majority of the village is covered. The scheme has been designed, costed and approved by Cllr Stockell and John Burr, Director of Kent Highways at KCC. The scheme has now been sent to the contractor to be programmed in.

### **7.3 West Street Problems**

At the meeting to discuss the Gateway it was also agreed that three marker posts be installed on the verge near the playing field on West Street.

### **7.4 Speedwatch**

Cllr Porter reported that two vehicles were caught travelling at 44mph near the school when the last Speedwatch check was carried out, but the police have ignored it. Cllr Wyles advised that 15 vehicles have been reported to the police and have been added to the police database, but no letters

have been sent to the owners by the police.

## 7.5 **KCC Highways Survey 2013**

Members commented that the drainage was worse in the area. Members asked the Clerk to complete the survey, using comments provided by Cllr Stanbridge. ACTION: CLERK

## 8. **RESOURCES AND ENVIRONMENT MATTERS**

### 8.1 **King George V Playing Field**

The Chairman of the King George V Playing Field Management Committee, Danny Peacock, reported that the following was discussed at the last committee meeting:

- The Committee acknowledged the untimely passing of Alan Bishop and the great contribution Alan had made to the Committee.
- A quote has been received and accepted for the work to rectify the trees overhanging the football and cricket pitches. The work is yet to begin.
- The Parish Council has approved the purchase of benches near the play area.
- The MBC monthly report on the play area showed low risk.
- Mr Hickmott is to deal with the rabbit problem.
- The Annual Return has been completed.
- The wording for the car park signage has been agreed, a quote is to be obtained for the signs.
- The Parish Clerk is to organise the cutting of two gate keys.

### 8.2 **Hunton Parish Plan**

The Chair of the Hunton Parish Plan Steering Committee, Annette Trought, reported the following:

- The Committee has been successful in obtaining funding for the Community Orchard. A total of £220,000 is being allocated to 16 sites; hopefully an amount of £5,000 or more will be received by Hunton. The Committee has lots of ideas for the orchard. Another clear up on the site is planned for 8<sup>th</sup> December.
- A review of the Pop-up Shop showed that it has done pretty well, with another planned for next year. It is low risk as the outlay is small.
- A meeting was held with Phil Nicols from the Village Club. Phil would like as many members as possible to attend the AGM on 5<sup>th</sup> December to discuss the obstacles to using the Club for other purposes. The Committee would like to work with the Club to bring more money in, perhaps something like the pop-up cafe with the school mums.
- There will be more Christmas lights on the Village Hall this year, funded by proceeds from the fete. The lights will go up on 1<sup>st</sup> December.
- A letter of support has been written for the application for a new cricket pavilion.

### 8.3 **Cricket Pavilion**

Simon Taylor of Hunton Wanderers Cricket Club recapped that he and Steve Jones had been to two Parish Council meetings and an informal meeting with Members, following which the budget for the cricket pavilion has been amended slightly and some wording changes made to the application. The Parish Council needs to formally approve the application, but does not need to sign it. The deadline for submission of the application to Sport England is 16<sup>th</sup> December. Members unanimously **Approved** the application and agreed that a very professional approach had been taken in producing the application. County Cllr Stockell agreed to send a letter of support for the application.

### 8.4 **Hunton Village Club**

Cllr Porter reported that funds at the Village Club are not as healthy as they could be and it would be a great shame if it had to close. He suggested a meeting with Phil Nichols to see what the issues are and how the Parish Council can help. It would also help for Members to attend the

AGM. The Chairman suggested that the opening and closing times of the Club be advertised in the Hunton Herald, as not all members are clear on the times.

Members **Agreed** that a meeting should be held with Phil Nichols to establish the issues; the opening and closing times should be noted in the Hunton Herald; and the Club needs to be discussed at the next Parish Council meeting to determine measures which can be taken to ensure its survival. ACTION: MEMBERS/CLERK

### **8.5 KALC Community Awards Scheme**

Members had agreed to adopt the KALC Community Awards Scheme locally at the Parish Council meeting in July, to acknowledge and give recognition to those who have made a significant contribution to the local community.

Members **Agreed** that it would be fitting to give the award to Alan Bishop posthumously. The Clerk will ask KALC whether it is possible to give the award posthumously. ACTION: CLERK

### **8.6 Electoral Commission Consultation – Standing for Election in the UK**

The Electoral Commission has issued this consultation paper to provide an opportunity for the sector to comment on how the rules around standing for election can be better standardised and the impact this could have on simplifying the system.

Members did not wish to make any comments.

#### **9.1.1 County Councillor**

Cllr Stockell agreed that in the interim many applications are being passed in the absence of a Local Plan.
